Dedicated to Steve, Lurana and
the Foreside Manor

*It started one morning so peaceful and bright,
At Steve and Lurana's, the mood was just right.*

*A cozy old house with sunlight to spare,
Warm coffee aromas danced through the air.*

*And when the work was finished, the day nearly done,
The Burgies were poured, perhaps more than one.
The perfect way to end the day,
Everything was feeling A.O.K.*

Then Lurana remembered, "Oh wait, in the nook!"
A box had been waiting, she gave it a look.
"Warm seat! Air dryer! A luxury spray!
We've truly gone fancy with this bidet!"

DELUXE BIDET

• Warm Seat • Auto Dryer • Squeaky Clean Butt

*“The plumbers are coming” Lurana did say,
But Sam waved his hand, “We’ll do it today!”
Steve yawned and smiled, “I’m off to bed,”
While Sam rolled his sleeves and scratched his head.*

Out came the wrench, the shiny new seat
“This bidet will make your bathroom elite!”
He twisted, he turned, and gave it a shove
A confident handyman, sort of, thereof.

Then all of a sudden arose such a clatter,
With Lurana screaming, "What is the matter?!"
Sam held the pipe, water shooting up high
The valve was broken! Oh me, oh my!

Steve rushed downstairs, hair all askew,
As drips from the chandelier shimmered like dew.
Towels were flying, the floor got all wet,
A scene they sure would never forget!

The next morning the plumbers arrived, their tools in a queue,
Now the bidet sparkles, clean and new.
Steve, Lurana, and Sam all say,
“Next time, we’ll wait for the pros – okay?”
